ELKHART HIGH SCHOOL

from which our progress is watched by our many friends.

The
PENNANT
1931

PUBLISHED BY

THE SENIOR CLASS
OF
ELKHART HIGH SCHOOL
ELKHART, INDIANA

*Approaching the school on West High Street . . .
with its lovely avenue of stately elms.*

FOREWORD

A new Elkhart has arisen they say. It has grown from a runway for deer and elk into a solid city of imposing buildings, thriving industries, and beautiful homes. But more rapid than its physical expansion has been the development of that subtle intangible thing, spirit.

In attempting to portray this spirit of progress, we have concentrated all our efforts, our energies, and our dreams.

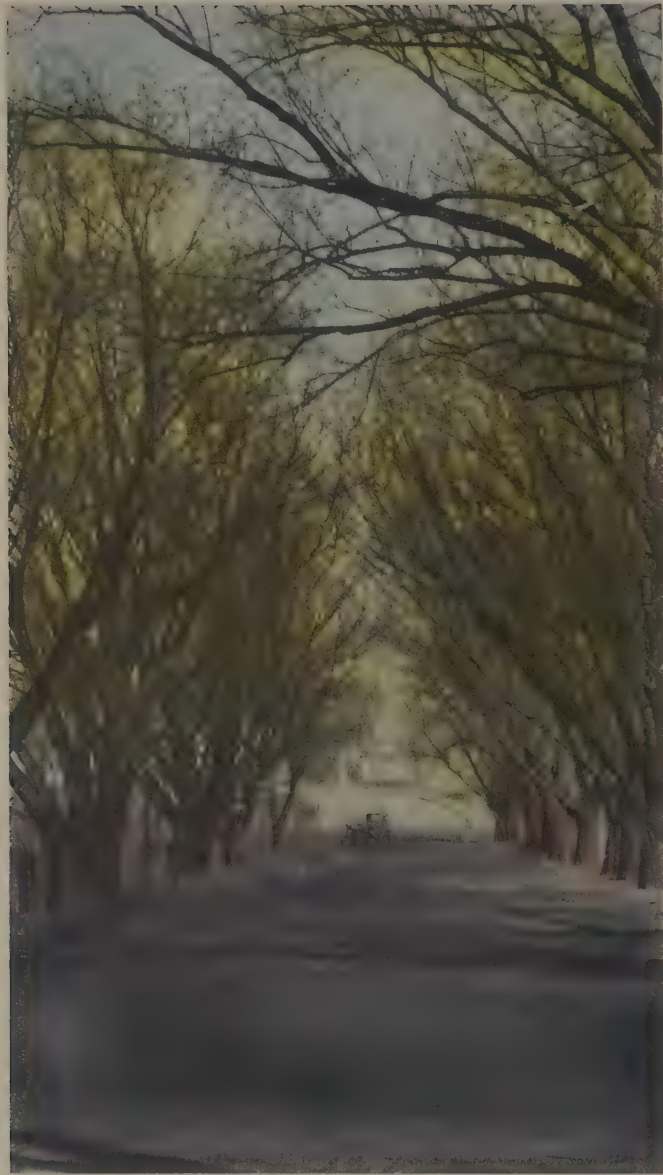

MEMORIAL BRIDGE

. . . dedicated to those who lost their lives in the World War.

DEDICATION

In recognition of those who have given unselfishly of their time and their effort, their sympathy and their understanding, of those whose faith in us never falters, and those who will watch with keenest interest the progress which we hope to make, we, the Class of 1931, lovingly and gratefully dedicate this book to our parents.

*This avenue of trees leads away from Rice Field . . .
the scene of many a glorious victory.*

One must have faith in the youth of the land; he must believe that each generation will leave the world better than it found it. Supported by such a faith, education has undertaken a far-reaching and deeply significant program. Working through the individual to the mass, the purpose is the modification of conduct in the direction of developing higher moral character, better health habits, civic efficiency, command of fundamental processes, worthy home membership, vocational efficiency, and wholesome use of leisure. To the extent that we, either as a school or as individual members of society, succeed in our purpose, is our faith justified.

Each new class faces new problems. Progress means new conditions, and it means that new adjustments must be made. This year sees a consolidation of business enterprises and a reorganization of industrial systems that will especially challenge those seeking a foothold in this great old world. And yet there are things that never change. Basic qualities of character cannot change; courage, industry, honesty, loyalty, sincerity, reverence, and love for the right . . . these will be as important in the new spirit of progress as they were in the old. We believe that the future will need these, even to a greater degree than the past, but we have faith that you will always seek out and develop these old qualities, employing them to build a new order, better and grander than any yet achieved by previous efforts of man.

January Class History

In September, 1927, the Freshmenites boarded The Good Train Education, at the Union Station of E. H. S. After the train was christened, the following crew were called: Engineer, Richard Nelson; Fireman, Helen Harman; Conductor, Darl Shank; Assistant Conductor, Ernie Fritz; Brakeman, Bernard Funk; Newsgirl, Margaret Gray; Miss King was the Train Dispatcher for the whole trip.

On February 7, 1928, the Roosevelt Special pulled into Sophomoreburgh. The passengers from the Roosevelt Special were transferred to The Good Train Education and a new crew consisting of Engineer, Bernard Funk; Fireman, Helen Harman; Conductor, Marjorie Smeltzer; Brakeman, Alicia Henry; Newsgirl, Margaret Gray, was chosen.

On May 4, a very enjoyable cootie party was held in the Recreation Car of the train.

In September, 1928, the passengers boarded the train after a short stop. The crew consisted of Engineer, Robert Fribley; Fireman, Deverel Sayger; Conductor, Glenn Anderson; Brakeman, Helen Harman; Newsboy, Darl Shank. The crew adopted the motto, "In Union There is Strength."

As Christmas was drawing nigh, passengers stopped at the little Theater and had a "Kid" party.

In January, as the train passed through the dark and dreary land of study all the passengers were terrorized by the Final Examination Gang. After recovering from the fright they proceeded on their way; arriving at Juniortown on January 31, 1930.

The only changes made in the crew were Fireman, Bernard Funk; Conductor, Earl MacBride; and Newsgirl, Almeda Slack.

A joint party was held, on April 25, in the Recreation Car. Games, dancing, and refreshments were enjoyed by all.

In September, the following crew was selected: Engineer, Robert Fribley; Fireman, Glenn Anderson; Conductor, Kathryn Krysiak; Brakeman, Helen Harman; Newsgirl, Margaret Gray.

On October 11, the train stopped at Blosser Park, Goshen, Indiana, for a skating party.

In January, 1930, we stopped at Senior City for a new crew: Engineer, Robert Fribley; Fireman, Iverson Groves; Conductor, Alice Dewey; Brakeman, Delford Drumond; and Newsgirl, Helen Harman.

On March 7, the passengers gave a very successful play entitled, "Green Stockings." On May 24, the train stopped at the Sargent Hotel at Lake Wawasee for the Junior-Senior Prom.

September 19, 1930, found the train with another crew: Engineer, Helen Harman; Fireman, Iverson Groves; Conductor, Glenn Anderson; Brakeman, Kathryn Krysiak; Newsgirl, Alice Dewey.

On October 17, a joint Hallowe'en party was held, dancing and refreshments were enjoyed.

On January 9, all the passengers met in the diner for a banquet; "The Garden" was the theme used for the toasts.

As they came in view of the smokestacks of the City of Graduation, a very clever program was given by the passengers.

The four-year journey came to an end as the train pulled into the Grand Central Station of Commencement.

January Class Prophecy

JULY 20, 1950.

Well, here we are on our way to Paris to study. It is the summer of 1950 and it has been nineteen long years since we left our beloved "Halls of Knowledge," to seek our fortune elsewhere.

Who do you suppose the captain of this boat is? None other than George Pettit. His first mate is Leonard Clipp and the cook is Ray Pletcher. We are having some lovely times going over all our old school days. George says he just took Darl Shank over to Paris on his last trip. Darl, he says, is a traveling salesman for the "Scrub Up" Soap Company, which is owned by Iverson Grove. Iverson's private secretary is Mar-della McDowell.

JULY 23, 1950.

Paris, at last, and the next thing is to find our rooms. We find Maurice Miller, owner of the Hotel DeLuxe, and the bellhop, LeRoy Sampsell. Maurice asked us to dine with him and his wife, Etta Mae Niccum. There we saw Ruth Coleman who was visiting the Millers.

We have lovely rooms, with a wonderful view of Paris. From our windows we can see the great Griswold Theatre, owned by our old school mate Manley. The feature to-night is "High School Days," with Ernie Fritz and Dollie Herein, all American movie stars.

JUNE 24, 1950.

Today we discovered Eugene Stoner, owner of a Curio Shop. He and his wife, Sara Stevens, meet all classes of tourists looking for souvenirs. They had a letter from Dorothy Sailor, telling of her work in the Anti-Dance Drive. Her work was prompted, she tells us, by the dances they are now having in the High Schools. She had some news for us.

Wendell Taylor has been in an airplane accident, she said. He was carrying as passengers Helen Teall, Geraldine Vernier, Maxine Walters, Harold Simonson, Gordon Yoder, and Ralph Miller. They were on a pleasure trip when the plane crashed. Ralph and "Jerry" are in the hospital, under the special care of LeOra Morse, Head Nurse of a Chicago Hospital.

January Class Will

After four years of threatening letters, every six weeks, the faculty has sent another class unto the happy hunting grounds (hunting for jobs or a good university). This is the class of January 1931. Knowing that this terrible thing must happen we have drawn up our final will before leaving Elkhart High School for the next world.

We, the January Class of '31, being unsound of mind, body, memory, and hearing, and not responsible for our actions, do make it our final wish that the following articles be carried out to the fullest degree:

ARTICLE I: For Mr. Gill, we will provide paper, pen, and money to publish a book on "Jokes That I Have Used Successfully."

ARTICLE II: To Mr. McCracken, we give, wrapped in paper, one Austin to chase speeders down the third floor hall.

ARTICLE III: For the benefit of the school, we leave the millions made by our class through candy sales, dances, plays, and parties.

ARTICLE IV: The Juniors, we leave our cloak of dignity for the coming year.

ARTICLE V: Ernie Fritz leaves his ability as director, actor, and playwright to Dick Duckwall.

ARTICLE VI: To Elinor Lynch, Alice Dewey presents her black curly hair, her southern accent, smile, charm, and hospitality.

ARTICLE VII: Darl Shank hands down his good looks and his way with women to Jack Cawley.

ARTICLE VIII: Helen Harman leaves her sense of responsibility to Grace Hugins in the hope that Grace may settle down a little.

ARTICLE IX: To Dick Harman, Marvin Burnstine leaves his knack of fiddlin' on his old violin.

ARTICLE X: Almeda Slack leaves her city-wide fame as Miss Personality to Jane Bucklen.

ARTICLE XI: Merrill Schmeltz can't leave much because a certain young lady, by the name of Madeline Hout, already has everything he owns.

ARTICLES XII: Bernard Funk leaves his track ability to Glenn Olsen

ARTICLE XIII: Iverson Grove leaves his quiet manner to Bill LeFevre in order that the school may again take on an air of quiet and solemn demeanor.

ARTICLE XIV: Sara Stevens leaves her auburn hair to Ruby Replogle.

ARTICLE XV: Maurice Miller leaves his rambling flivver to Ward Charlesworth.

ARTICLE XVI: Dick Nelson leaves his willingness to be in the midst of everything to Ralph Keyser.

ARTICLE XVII: Matthew Ronzone leaves his athletic ability to next year's football captain.

ARTICLE XVIII: Glenn Anderson leaves his French ability (?) to Lois Crawford.

ARTICLE XIX: Wendell Taylor leaves his dancing tactics to Maurice Treneer.

ARTICLE XX: To all future will writers, we extend our deepest, heart-felt sympathies.

ARTICLE XXI: To some succeeding class desiring to become second best to our class, we leave our sponsor, Miss King, who has patiently and faithfully stuck by us in our four years of high school life.

The above document, being signed and sealed on this 23rd day of January, in the year of our Lord, one thousand ninehundred and thirty-one, in the presence of witnesses, can only be broken by appeal to the Supreme Court of the United States of America.

History of June Class of 1931

In February, 1928, the IID Class organized, selecting Mr. Horn as sponsor. The following officers were chosen: President, Shirley Leonard; Vice-President, William Riblet; Secretary, Tom Proctor; Treasurer, Margaret Gulmeyer and Edward Borneman; Social Chairman, Audrey Leonard. The only social event of the year was a party which everyone enjoyed immensely.

The second year opened with a meeting to elect officers as follows: President, Tom Proctor; Vice-President, Shirley Leonard; Secretary, William Riblet; Treasurer, Frank Parmater; Social Chairman, Miriam Young. A jitney dance, October 19, and a Hallowe'en party on October 26 were the outstanding events of this semester.

At the opening of the new semester, the following officers were chosen: President, Isabelle Whittle; Vice-President, Theron Wilson; Secretary, Kathleen Wintringham; Treasurer, Marjorie Sears; Social Chairman, Frank Parmater; Assistant Social Chairman, Shirley Leonard. On February 1 a party was held in the Little Theatre.

An assembly program was given by the Sophomore Class with Tom Proctor acting as Master of Ceremonies. A play, "Hash in Two Hacks," Tableaux and Old-Fashioned Schoolroom were presented. At a joint party with the IB'S, the members were entertained with bunco, games, and dancing. On November 1 the class held a Hallowe'en party, enjoying bunco and dancing.

Our Junior year opened with a big dance in the gym, December 6, Friday. Music was furnished by the E. H. S. Gloom Chasers.

In January the following officers were chosen: President, Tom Holt; Vice-President, Florence Weybright; Secretary, William Riblet; Social Chairman, Miriam Young; and Treasurer, Charles Greenleaf. On February 14 the IIB class gave a Valentine Dance at which everybody had a "hearty" good time. "Green Stockings," the Junior class play, was advertised by an attractive assembly program in which many girls of the Junior Class took part. "Green Stockings" was presented Friday, March 7.

At the opening of the Senior year in September, 1930, the officers elected were as follows: President, Tom Holt; Vice-President, William Rivers; Secretary, Tom Proctor; Treasurer, Charles Greenleaf; Social Chairman, Shirley Leonard. The first social affair in the last year was a Hallowe'en party in the gym. Games and dancing were the center of attraction. A joint flower and color committee chose the colors of shell, seraph, lilac, and silver and Talisman roses for the flower. At a special meeting the Seniors decided to wear caps and gowns at graduation exercises. The officers elected in September were retained for the final semester.

The Seniors held their Senior Day Program on May 20, and the class play "Smilin' Through" presented on May 15. The Baccalaureate Service, May 31, and Graduation Exercises, June 4, were held in the Auditorium.

June Prophecy

Gazing from the window of our magnificent air liner, we notice high chimneys and clouds of smoke. Becoming inquisitive, we ask the porter what town we are coming to. He replies that we are approaching the great industrial center of the midwest—Elkhart, Indiana. Since Elkhart is the destination of our long journey from Leipzig, Germany, where we have been studying music, we instantly become alert and look about for familiar landmarks. We can distinguish nothing familiar but we see huge air signs which read: *“Use Foy’s 6 for \$1.00 Aviation Gass for Greatest Speed. We specialize in Finger Waves, Midge Arnold and Jane Parmater, Beauty Parlor. Let the Stockwell and Rentsch Construction Company Build Your Skyscraper.”*

Immediately after landing, we notice the pilot and chief mechanic climbing down from the cockpit and recognize our old friends Bill Rivers and Tom Holt, working for the Consolidated Airways Company, which we find is owned by Phillips and Kirkwood.

Being rather tired and sleepy, we enter the Traveler’s Information Bureau, where we inquire for a good hotel and find the chief information giver to be none other than Louise Ferguson, who directs us to the Hotel Harris. After registering with Gerald Whitnack, Horton Sawyer, the bellhop, accompanies us to the elevator where we find Omar Rink. On the long trip to the seventy-fifth floor he tells us of the marriage of John Jackson and Mary Jean Neu.

After resting for several hours we start out for lunch. We pass Miriam Young’s Hat Shop, and stop to buy a newspaper at Louie Stealy’s news stand, in which we read of the defeat of Goshen by the Blue Avalanche coached by Roy McDowell.

We enter Hoge’s Hash House and check our hats with Shirley Leonard. Among the waitresses we recognize LaVere Truex, Fern Price and Rachel Yoder. While waiting we notice Dorothy Enos as chief cook.

While sitting in the lobby we meet Harold Ruppert. He sits with us to talk over old times. He tells us that Hugh Miller graduated from Annapolis and is now Rear Admiral in the United States Navy. Margaret Gulmyer is teaching Gym in the Elkhart High School and Grace Kantz is head of the Home Economics Department. Hope Hamlin and Francis Rowe are successful opera singers in New York. He tells us that Marjorie Hemund is now private secretary to Carlyle Decker, Sales Manager of the Earlywine Kracker Korporation.

After a pleasant afternoon we bid goodbye to our old friends and hasten in a taxi to the airport. The greatest surprise of the day comes when we find the driver of the taxi to be Mr. Horn, our old sponsor. We leave reluctantly but we hope to return again in the future and then look up the rest of the members of the June Class of 1931.

ALVIN BORDERS.

The Art Club gave a play entitled "The Romance of the Blue Willow." It is a Chinese story, in which the setting for the stage and the customs were made and designed by the Art Club.

The Club purchased forty original pictures painted by several famous artists. Also a swetch from France was added to the collection the last semester.

The story centers around Judy, an orphan in the John Grier home. Through the kindness of a trustee she is sent to college. This trustee prefers to remain unknown to her and during her four years at college she writes to him as "Daddy Long Legs". Because of her humble origin, Judy refuses to marry Jervis Pendelton, and goes unhappily to her Daddy Long Legs about it. In the luxurious library of Mr. Pendelton, she discovers the identity of her benefactor, and the play ends happily.

John Carteret tries to explain to his ward, Kathleen Dungannon the reason for his hatred of her lover, Kenneth Wayne. He tells her the story of his wedding night, fifty years before, when Jeremiah Wayne had accidentally killed the beautiful Moonyeen Clare, John's bride, whose love he cannot betray, by letting Kathleen marry Kenneth. When his old friend Owen Harding intercedes for the lovers, Carteret quarrels with him. However, when the war is over, and Kenneth returns wounded, John forgets his old enmity, and Moonyeen comes smilin' through at him again.

The aim of the Dramatics Department in the High School this year has been to vary the types of plays presented, so that each person interested in the work might find some means through which he could express himself. In all perhaps two hundred and seventy-five people have had an opportunity to take part in plays sponsored by the Junior and Senior Classes, the Drama Club, and other school organizations.

In mid-November the Drama Club presented three one-act comedies, "Sauce for the Goslings," "The Teeth of the Gift Horse" and the travesty "It Will Be All Right on the Night."

As our annual gift to the community we presented our Christmas Pageant on December 18, "A Universal Christmas," in which one hundred people participated.

The Class Plays, "Daddy Long Legs" and "Smilin' Through"—Junior and Senior respectively—afforded pleasure and training to all those fortunate enough to be cast; and our only regret is that all those who entered the "try-outs" could not have been placed in roles.

In our radio broadcast of the play, "The Goal," is found much enjoyment and benefit, and derived especial pleasure from the thought that we were pioneers in this first radio-high school contest.

For Patrons' Night a number of one-act plays were presented, and the Art Club play, "The Romance of the Blue Willow," was given as an Assembly program.

The proceeds of the plays given by the Drama Club, and the money left by the Senior Class of 1930, was used to purchase a velvet cyclorama for the stage in the Auditorium.

The Department of Physical Education

Under the able leadership of Head Coach C. C. Boone, athletics in Elkhart have become an important phase of school activity. Successful seasons in the major sports of Football, Basketball, Track, and Wrestling, were enjoyed this year, while the minor sports, Tennis, Golf, Interclass Basketball, Track and Sandbur Football were especially beneficial to the students unable to make the major teams.

Basketball, under the coaching of John Longfellow, concluded a most successful season by representing this area in the State Tournament at Butler Gym in Indianapolis.

With William ("Bill") Moss as the new wrestling mentor, the Blue and White matmen concluded a rather successful season from the viewpoint of matches won and lost, and it was a huge success physically for those boys engaged in this sport.

The growth of athletics in Elkhart has been phenomenal in the last year. Over five hundred boys have taken part in the several branches of physical education. Much new equipment has been added, including a new grandstand at Rice Athletic Field.

FORT WAYNE GAME

Opening the season with a string of veterans from last year's squad, the Elkhart team was battled to a tie game by a strong eleven from Fort Wayne. The Blue Avalanche outplayed and out-gained the Fort Wayne team, but the Blue and White defense weakened in the last quarter to allow the fleet Centralites to score two touchdowns, resulting in a tie game. Riblet and Parmater scored the two Elkhart tallies.

Final Score: Elkhart, 13; Fort Wayne, 13.

GOSHEN GAME

Displaying the best form of the season, the Blue Avalanche completely routed their ancient foe, the Goshen Redskins. The Goshen team was in no respect a match for the Blue and White eleven. The first score came by virtue of a long run by Tibby Riblet. Ray Earlywine scored a second marker on a blocked punt, while the big thrill of the game came in the final minutes when Lewis Rowe, a Freshman sub, scored a touchdown on a twenty-five-yard jaunt.

Final Score: Elkhart, 19; Goshen, 7.

LA PORTE GAME

Although playing away from home, the Blue Avalanche handed the La Porte Slicers a 20 to 2 beating. The Elkhart team was unable to score the first half, but materialized a drive in the last half which resulted in touchdowns by Riblet, H. Slabaugh, and Beaver. The La Porte two points came by virtue of a touchback in the first period.

Final Score: Elkhart, 20; La Porte, 2.

MISHAWAKA GAME

A strong Mishawaka team, that was destined to become the champion of the Western Conference, handed Elkhart the first defeat of the season. The Elkhart team failed to get started but held Mishawaka until the last quarter, when a Mishawaka drive resulted in the lone touchdown. A blocked punt in the first quarter gave Mishawaka the additional two points.

Final Score: Mishawaka, 8; Elkhart, 0.

KOKOMO GAME

Playing good football the Blue and White team smothered the undefeated Kokomo eleven 13 to 0. The Avalanche offense was functioning perfectly while the defense held the Kats for small gains. The Elkhart scores came in the first and last periods, being scored by Minelli and H. Slabaugh.

Final Score: Elkhart, 13; Kokomo, 0.

DECATUR GAME

The Blue Avalanche, displaying a beautiful running attack, defeated the Decatur Yellow Jackets 59 to 0. On the first play Frankie Parmater ran 75 yards for the first score. Touchdowns were scored by Parmater, Beaver, Sayger, Riblet (2), Trautman, W. Slabaugh, and H. Slabaugh.

Final Score: Elkhart, 59; Decatur, 0.

MICHIGAN CITY GAME

In probably the best game of the season, the Elkhart team downed the undefeated Michigan City eleven, 20 to 13. The Blue Avalanche, with a varied attack, outguessed and outplayed the Prison City team in every respect. The Elkhart tallies came in the second and third quarters on a series of determined drives. Michigan City scored in the first and final periods.

Final Score: Elkhart, 20; Michigan City, 13.

SOUTH BEND GAME

Although they played good football the Elkhart eleven was unable to stop the onslaught of the South Bend team. It was the third successive loss to a South Bend team in as many years. A bewildering attack by South Bend resulted in 26 points. The Blue and White was only able to score two touchdowns. Basker was the outstanding South Bend player, while Riblet was the heart of the Elkhart attack.

Final Score: Elkhart, 14; South Bend, 26.

WASHINGTON GAME

The Blue Avalanche ended a successful season by defeating Washington High, of Indianapolis, in an annual Thanksgiving game. Although played in ten above zero weather, the Blue and White slid over a snowy gridiron to a 33 to 0 victory. Riblet, Parmater, Waltz, Earlywine, McDowell, Sager, Funk, and Weinstein had donned the moleskins for the last time for Elkhart High School. It was "All-State Quarterback" Riblet's day; he scored a total of 24 points.

Final Score: Elkhart, 33; Washington, 0.

Captain William "Tibby" Riblet, quarterback, was unanimously selected "All-State Quarterback" by the prominent sports writers. Riblet, an excellent field general and a good ball carrier, scored a total of 61 points, enough to be high point man of the Blue Avalanche. William is a Senior and his loss will greatly be felt next year.

Basketball

Starting the 1930-1931 season with six regulars from last year's squad, Coach J. Longfellow turned out a team that made an excellent record, one that we can always look back upon as significant of Elkhart High School athletics. Win or lose, the boys were true sportsmen, never quitting until the game was over, taking all decisions, and possessing this same admirable spirit at all times.

The Blue Blazers opened the season with a victory over the LaGrange Wildcats, 23 to 8. Elkhart led the entire route, and was never threatened by the Wildcats.

The Blue and White dropped the next two games to Mishawaka and Michigan City. Mishawaka won by a 24 to 13 count, while the Red Devils eked out a close win, 18 to 17.

The Blazers scored an upset by defeating the undefeated Goshen team, 18 to 17. A last minute basket by Riblet spelled defeat for the Goshen team.

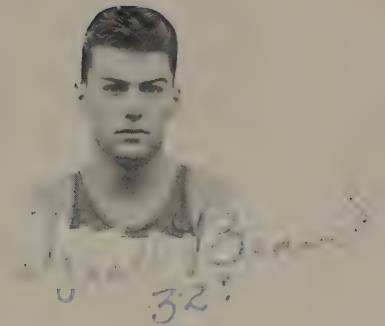

The Blue and White, with a jinx cast over them, lost the next four games in rapid succession. Nappanee completely routed Elkhart, 31 to 13, but Valparaiso and La Porte were forced into overtime games before they could win from E. H. S. Elkhart, 16; Valparaiso, 20, and Elkhart, 14; La Porte, 16. The "six footers" from South Bend defeated Elkhart 8 to 13 in a slow contest at South Bend.

Dropping a return match to Mishawaka, 25 to 15, the Blue and White cast off the jinx to win the next four games. Elkhart, 20; Plymouth, 15. Elkhart, 16; Warsaw, 14. Elkhart, 27; Riley, 22. Elkhart, 29; Howe, 11. The scores tell the tale of a revamped team.

In a return engagement, the Blazers completely outscored and outplayed the Nappanee Bulldogs, 26 to 19. But to offset this win, the Blazers dropped the next two games to South Bend, 20 to 10, and to the Kendallville Comets, 36 to 23.

Defeating Goshen again, 19 to 10, in a return game, and then losing to the strong Fort Wayne Central, 32 to 25, in a thriller, the Blue Blazers closed the regular schedule and began to practice for the Sectional Tournament.

SECTIONAL TOURNAMENT

Playing a new type of basketball and using a slow breaking offense and a "Sotch" defense, the Blazers won the Sectional Tournament, to repeat the '25 performance. Elkhart barely defeated Wakarusa in the second round, a long shot by Tibby Riblet in the last fifteen seconds saved the day for the Blue and White. Elkhart defeated Nappanee in the final round, 25 to 20, to win the right to enter the Regional at Rochester.

REGIONAL TOURNAMENT

Entering the tournament as "underdogs," the Blazers showed unusual strength to defeat Win-nimac in an overtime game, Riblet again coming through in the last fifteen seconds with a basket to win the game. With all five players clicking, the Blazers upset the "dope bucket" to defeat the over-confident South Bend Bears, 21 to 20, after having lost two previous games to the Bears in regular schedule games.

STATE TOURNAMENT

Lead by Mattie Patanelli, the Blue and White trounced the Marion quintet, 26 to 22, in the Blazers' first game at the Butler gym. It was the first State Tournament game that had ever been won by Elkhart. In the second game, the Blazers were unable to cope with the superior height of the Greencastle team, and as a result the Greencastle five defeated Elkhart, 29 to 18. Greencastle was defeated in the finals by Muncie, the state champions. Thus a successful season was closed, and three veterans—Riblet, Parmater and Wilson—were lost to the team.

Harden, Nelson, Miller, Rutter, Proctor, Mishler, Olsen (Captain).

Interclass Basketball

The Seniors, led by Captain Paul Olsen, repeated the performance of last year's Seniors by winning the Pennant Trophy. The race this year for the trophy was the closest in the history of Interclass Basketball. The final game decided the winner of the trophy.

KOKOMO DUAL MEET

The Elkhart thinly clad dropped the first meet of the season to an experienced Kokomo squad in a close match on the new Kantz Field. The Blue and White won first places in the 100-yard dash, mile, high and low hurdles, and the shot-put, but were unable to take enough seconds to defeat the Kats.

Final Score: Kokomo, 55½; Elkhart, 43½.

ELKHART TRIANGULAR MEET

The well-balanced Blue and White team ran up a total of 53 points to defeat Mishawaka and Fort Wayne in a triangular meet at Rice Field. Elkhart annexed six first places and five second berths. Although no records were broken, it was considered a fast meet.

Final Score: Elkhart, 53; Mishawaka, 24; Fort Wayne Central, 22.

SOUTH BEND TRIANGULAR MEET

Headed by Frankie Parmater, with 15 points, Elkhart ran away with the Triangular meet at South Bend. The Blue and White annexed nine out of the possible thirteen first places, along with enough seconds and thirds to more than double the score of the other two schools.

Final Score: Elkhart, 67 2/3; South Bend, 27 1/3; Benton Harbor, 4.

ELKHART DUAL MEET

Elkhart 67, Fort Wayne North Side, 32. The score tells the story. The Blue and White streaks easily defeated North Side from Fort Wayne by winning five firsts in the running events, two in the field meets, and also winning both relays.

Final Score: Elkhart, 67; Fort Wayne North Side, 32.

GOSHEN DUAL MEET

The Elkhart track and field team easily downed the Goshen Redskins in a dual meet at Forman Field in Goshen. Elkhart, led by Parmater, who was again high point man, won eight of the first place berths. Four Forman Field records were broken and three of them are in possession of Elkhart High School.

Final Score: Elkhart, 62; Goshen, 37.

N. I. H. S. C.

For the fourth consecutive year Froebel of Gary walked away with the N. I. H. S. C. Track and Field Meet. Froebel did not have much opposition and they rang up a total of $74 \frac{1}{5}$ points. G. Dotson, half miler, won the only first position for Elkhart, but the rest of the squad picked up enough points to give the Blue and White third berth.

Final Score: Froebel, $74 \frac{1}{5}$ points; Horace Mann, of Gary, $47 \frac{1}{5}$ points; Elkhart, $40 \frac{9}{20}$ points; Mishawaka, $15 \frac{1}{4}$ points.

SECTIONAL MEET

Elkhart played host to the Sectional Meet but was rather un hospitable, as the Blue and White proceeded to win the meet in an easy style. Elkhart placed men in every event to qualify fifteen men for the State Tournament, more than any other school in the state. Two new Rice Field records were established—Lash of Auburn, ran the 880-yard run in the record time of 2:04.4; while O'Shea, of Goshen, heaved the shot to a new record of 47 feet $\frac{1}{2}$ inch.

Final Score: Elkhart, $49 \frac{1}{3}$ points; Auburn, $20 \frac{1}{3}$ points; Goshen, $14 \frac{1}{3}$ points.

STATE MEET

Although qualifying fifteen men for the State Meet, most of them drew fast heats and were eliminated in the early rounds. "Mike" Chaffee, pole valuter, was the only one to reach the finals. "Mike" placed third in the pole vault, Parmater and Fribley placed third in their sections of the 440-yard run. The half mile relay won the championship in their section of the half-mile run.

Final Score: Froebel, $39 \frac{1}{10}$ points; Brazil, 17 points; Kokomo, 14 points; Elkhart, 9 points.

NATIONAL MEET

Elkhart placed fourth in the two-mile relay at the Stagg National Meet at Chicago.

"Frankie," one of the sure point winners, was back to assist the 1931 team in winning new laurels. He set a new all-time individual scoring record of 83 points. Frank ran the 100, 200 and 400-yard dashes and was a member of the all-state half-mile relay team.

MYRON CHAFFEE

"Mike," veteran pole-vaulter, was lost to the '31 team by graduation. "Mike" placed second in the N. I. H. S. C. Meet and third at the State Meet, and scored more points than any other competitor in the 1930 field events. Chaffee collected 31½ points.

Wrestling

The Elkhart High School grapplers ended a fine season under their new coach, W. A. Moss, with three wins and three losses.

In the Conference Meet at East Chicago the Blue and White mat men, defending champions, took a third due to the absence of Horn and Earlywine, two star grapplers, who were ill. Two firsts were copped by Elkhart: Thorpe in the 100-pound class, nad Weinstein in the 155-pound class. Thorpe was successful in holding the 100-pound championship which was won by Stan Emmert last year.

In the State Meet, Elkhart placed fifth, partly due to the illness of three veterans and to the hard drawing the Blue and White received at the meet.

RICHARD THORPE

R. Thorpe, a newcomer among the mat men, will return next year. Although green in the wrestling game, "Dick" came through and copped the 100-pound title, and was also a point gainer during the season. Great things are expected of him next year.

RESERVE STRENGTH

Is What Counts!

When the backs come tearing down the field in the last period of play, it is their reserve strength that decides whether their last minute drive will turn the tide of victory.

Reserve strength is the deciding factor—not only on the football field, but in all activities.

In your effort to “get ahead” in the world there is nothing like the reserve strength of a savings account. Athletes build up reserve by systematic training routine. In the same way, a reserve of cash is built up by month-to-month savings. No matter how difficult it may be, put something aside for the future; it is well worth the effort.

The St. Joe welcomes the accounts of young people just starting out in the business world. Our friendly counsel and helpful service is of value to them in their business and professional careers.

Cohan: "Well, how come?"

Cohen: "Vy, at the football game he bought a score card and then neither side scored."

WHADDAYA SAY?

Austin Speas: "What do I say?"

Frank Parmater: "Look out! Don't hit me!"

Bill LeFevre: "What!"

Wilbur Englehardt: "We get together (poetically)."

"Buck" Jones: "What do you want?"

Jane Parmater: "Oh, you Brute!"

Dick Nelson: "Nothin Much."

Proctor: "Did you fill your date last night?"

Nelson: "If I didn't, she has an abnormal capacity for food."

"What course is your son taking in college?"

"The downward course, I'm afraid."

When a man breaks a date, he generally has to.

When a girl breaks a date, she generally has two.

THERE IS CLASS IN BUESCHER INSTRUMENTS

That fine indiscribable margin of skill that lifts the "artist" above his fellows - - that is exactly the margin that Buescher True-Tone Band and Orchestra Instruments possess. In all there are "88" different models, each designed with exquisite grace and precision and as perfect mechanically and acoustically as it is possible to make a band instrument. The ARISTOCRAT Trombone pictured above presents an excellent example of the beautiful modern lines along which Buescher Instruments are built. Infinitely superior and daringly different in its revolutionary design, with its graceful curves and perfectly formed taper, this magnificent instrument is the finest trombone in the history of a house, famous for over half a century for the excellent quality of its True-Tone products. The tone - - as in all Buescher Instruments - - is rich and sonorous, unmatched in beauty, accuracy and available volume and responds instantly to the slightest vibration of the lips. The action is light and free running, while the bore is new and of such proportions that make the instrument adaptable to every class of playing from the smallest orchestra to the most spectacular military band. And this instrument is typical of the "88" beautiful True-Tone models which make up the Buescher line. There is real style built into every Buescher Instrument.

Drop in at the factory the first opportunity you have and look over these wonderful models - - see how they are made. If you wish, take one home for six days trial. You will be amazed at the difference in your playing on a Buescher. Beautiful tone - - lightning like speed - - wonderful technique - - finer phrasing - - all placed at your command. Then, if you wish to keep the instrument we will accept your old instrument as part payment and arrange for you to pay the balance in small monthly payments.

FINE ANYWAY

Constable: "Fishing is not allowed here; five dollars fine."

Angler: "I am not fishing; I am teaching my worms to swim."

Constable: "May I see your worms?"

Angler: "Certainly." (Worms come up on end of line.)

Constable: "But you must pay the fine. Your worms have no bathing suits and bathing without a suit is not allowed here."

Not a sound could be heard from the Vitaphone as the beautiful leading lady spoke her mind.

Howard: "Well, what do you think we have a scrub team for?"

Bright Journalish stude, assigned to write a short story, turned in this:

"John Wixon struck a match to see if there was any gasoline in his tank. There was. Aged 56. No flowers."

Jeanette Rubin: "Don't you love overpowering men?"

Marjorie Smeltzer: "Gracious, I've never overpowered any man."

The Elkhart Truth

Finds its way into the majority of homes in the Elkhart territory, where it receives a very real and wholehearted welcome.

Truth is a friendly visitor, who is entertaining, instructive and informative.

There's a carrier boy in your neighborhood who will be pleased to take your subscription.

A boy, about to purchase a seat for the Warner, is asked by the box office man: "Why aren't you in school?"

Boy: "Oh, it's all right, sir; I've got the measles."

"Children, did you peel those apples before eating them?"

"Yes, mother dear."

"What have you done with the peelings?"

"Oh, we ate them."

Tess: "You can't believe everything you hear."

Bess: "No, but you can repeat it."

A highbrow is a man who can use a whole book full of words to say something you could squeeze into one sentence.

"Spain Needs a Mussolini," says a headline. It is said that the Duce has offered to run over one afternoon and put things right.

"Has anyone commented on the way you drive your car?"

"Yes, one man made a brief remark—\$20 and costs."

"More than one hundred kinds of germs cause colds," says a physician. The most common, we understand, is the one who opens and closes windows.
